You can't always get what you want sometimes you end up with a different font than you imagined

**D** **Em** **A7**

It happened, what do you know, comic sans or Palatino, I'm talking about

**D** **F#7** **Bm7** **Am7**

The snow that comes down makes a blanket on the ground and all the plan you had they were tossed around

**G** **D** **Em** **A7**

That's the sound of creation inside of your head and this is what it said, it said that

**D** **F#7** **Bm7** **Am7** **G** **D** **Em** **A7**

Life gave me lemons so I'm making you a lemonade, save the apples for another day

**D** **F#7** **Bm7** **Am7** **G** **A7** **D**

Life gave me lemons so I'm making you a lemonade, save the apples for another day

**D** **F#7** **Bm7** **Am7** **G** **D**

Turns out I lost my job and now the key fob that once let me into my office is on a list in the back of my mind

**Em** **A7** **D** **F#7**

To bring back and say goodbye with all this time I've been given while I'm singing I could write a few rhymes

**Bm7** **Am7** **G** **D** **Em** **A7**

And maybe one day they'll cost a nickel or a dime but I will say I lived yes I lived in a palace inside my mind

I'm fine cause

**D** **F#7** **Bm7** **Am7** **G** **D** **Em** **A7**

Life gave me lemons so I'm making you a lemonade, save the apples for another day

**D** **F#7** **Bm7** **Am7** **G** **A7** **D**

Life gave me lemons so I'm making you a lemonade, save the apples for another day

**D F#7 Bm7 Am7 G**

All that I'm saying is I'm grateful for these gifts I've been given though some are sour

**D Em A7 D**

I've been given the power to turn them into something good under the hood of my car that needs gas

**F#7 Bm7 Am7 G**

is a battery that lasts on the same electric energy that lemons have. That citrus keeps me going

**D Em A7**

so I'll keep the thoughts flowing, this is what they say, they say that

**D F#7 Bm7 Am7 G D Em A7**

Life gave me lemons so I'm making you a lemonade, save the apples for another day

**D F#7 Bm7 Am7 G A7 D**

Life gave me lemons so I'm making you a lemonade, save the apples for another day

**D F#7 Bm7 Am7 G D Em A7**
